

ADOPT-A-TRAIN

RAILROAD MUSEUM OF PENNSYLVANIA

Now you can adopt a train — passenger or freight, locomotive or car — from the Railroad Museum of Pennsylvania's world-class collection of about 100 pieces of historic rolling stock! Choose your all-time favorite or a piece that you feel deserves some recognition.

Your 12-month, symbolic train adoption entitles you to:

- A thank you/adoption certificate
- A three to five minute, customized video of the adopted train*
- A color photo of the train
- A sign acknowledging your adoption placed next to the train
- An acknowledgement of your adoption in the Friends of the Railroad Museum of Pennsylvania's annual report.

You contribute \$500.00 minimum per piece of equipment for a 12-month adoption. The choice of train to adopt is offered on a first come basis. All adoption funds benefit the nonprofit Friends of the Railroad Museum of Pennsylvania and will be designated for wherever the need is greatest.
